Stephen Wiltshire is an artist who draws and paints detailed cityscapes.

He has an extraordinary talent for drawing lifelike, accurate representations of cities, sometimes after having only observed them briefly. He was awarded an MBE for services to the art world in 2006. He studied fine art at City & Guilds Art College. His work is admired all over the world and is held in a number of important collections.

Watch internationally acclaimed artist Stephen Wiltshire create a one-of-a-kind cityscape on canvas, live from memory with the Empire State Building as its centerpiece.

NO DAY SHALL ERASE YOU FROM THE MEMORY OF TIME
Vigil

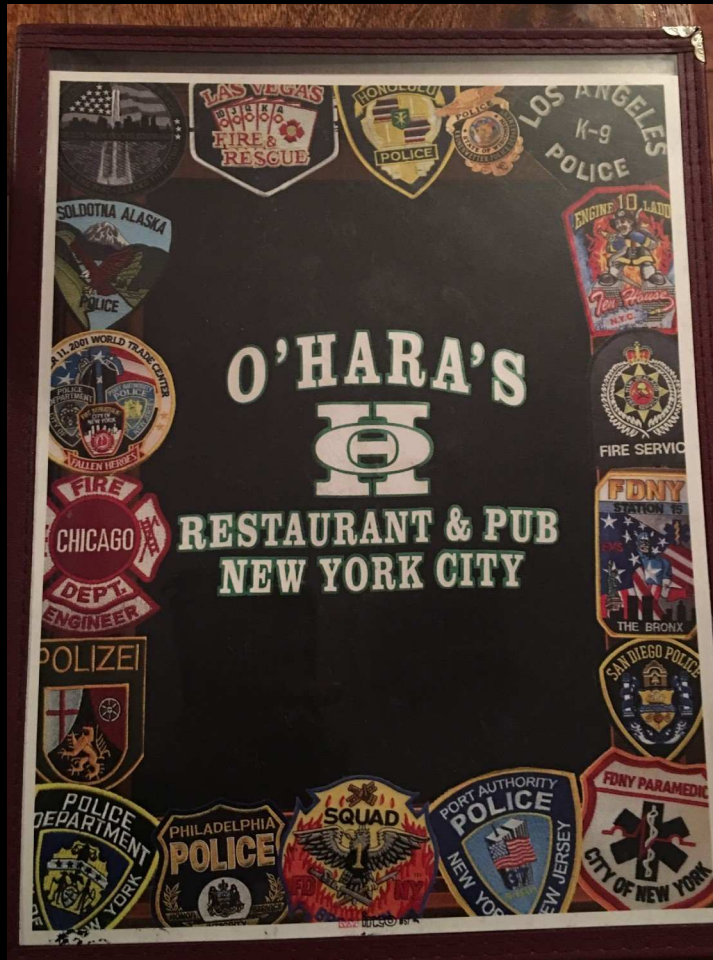

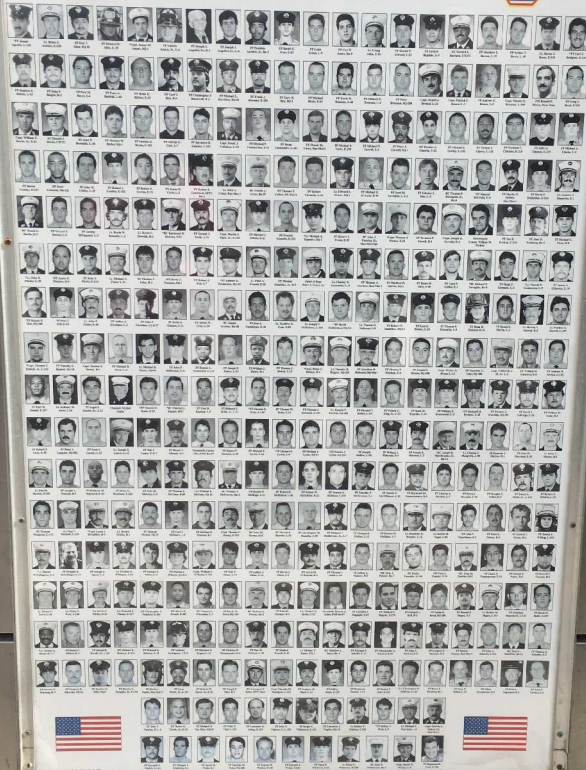

...the more confidence in God, better it is for him.
I will not be afraid, because I have the help of the Lord, the God of my salvation.
Enable me to be alert, to bear the weakest shout,
and quickly and efficiently, to put the fire out.
I want to fill my calling and, to give the best in me,
To always guard my neighbor and, protect his property.
And if according to Your will, I have to lose my life,
... with Your protecting hand, my family and my wife.
